EARN A RETURN BASED ON A BASKET OF FOREIGN STOCK MARKETS

Are you attracted by the potential return on foreign stock markets but afraid of the risk of losing your money if the stock value falls?

Would you like the return on your RRSP investments tied to the performance of foreign markets but have used up your foreign content room?

The GLOBAL MARKET Index-Linked Term Deposit is designed with your needs in mind.

The Global Market Index-Linked Term Deposit combines the potential for an above average rate of return by participating in foreign stock markets, with the safety of a guaranteed return of principal - like a GIC- and it's RRSP eligible too!

The Global Market Index-Linked Term Deposit delivers:

WHAT ARE THE DETAILS

- Your return is based on the performance of a basket of foreign stock indices.
- Your principal is **GUARANTEED**.
- The investment is not redeemable prior to maturity.
- There are set sales periods for the Global Market Index-Linked Term Deposit. Contact your credit union for details.

TAKE ADVANTAGE OF THE GLOBAL MARKET

With the Global Market Index-Linked Term Deposit, you incur no risk if the stock-market value declines. No matter what happens, your entire principle is protected. And, when markets do well, you have the potential to earn higher returns than with traditional GICs.

Your return on the Global Market Index-Linked Term Deposit is based on the performance of the basket of foreign market indices.

Purchase the Global Market Index-Linked Term Deposit and realize these additional benefits:

- Deposits are guaranteed*
- Pay no commission or management fees
- Participate in Foreign stock markets.
- Take advantage of potential higher returns
- Diversify your investments
- If your deposit remains at the credit union, the investment is not a foreign investment and therefore is not calculated as part of your RRSP Foreign Content. This allows you to tie more of your RRSP return to the performance of foreign markets even if you have used up your foreign content room.
